

YOREH

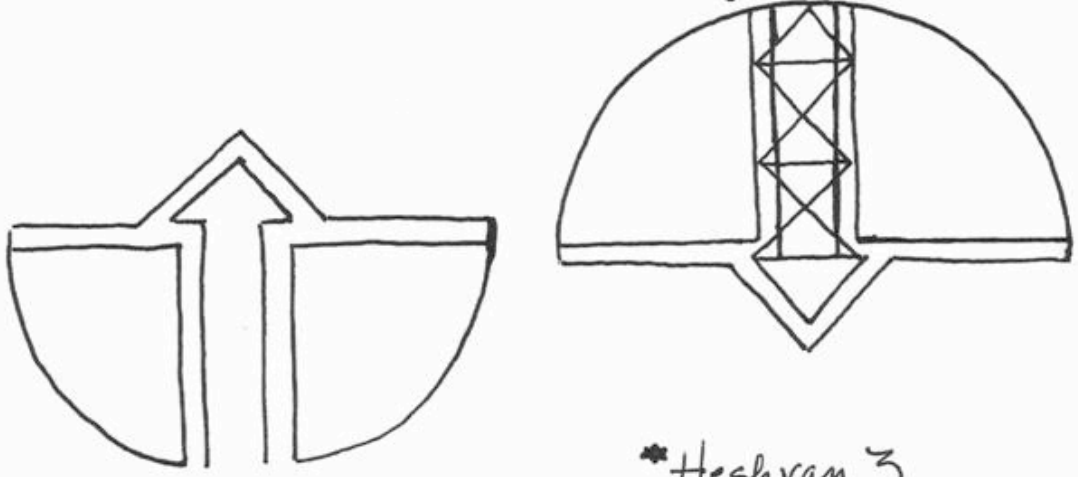

* The Hebrew word for Autumn Rain is YOREH
Which comes from the word meaning
to shoot an arrow.

~ BOW AND ARROW ~

Shakti rises → Shiva falls

A time to care for the ingathered seeds
of Spiritual growth with the Hope that they
will bear much fruit through our Faith.

The Bow and Arrow

Mundaka Upanishad
Pg. 46

Affix to the Upanishad, the bow incomparable,
1. the sharp arrow of devotional worship;
then, with the mind absorbed and heart melted in love,
draw the arrow and hit the mark—
the imperishable Brahman.

OM is the bow, the arrow is the individual being.
2. and Brahman is the target. With a tranquil heart,
take aim. Lose thyself in Him, even as the arrow
is lost in the target.

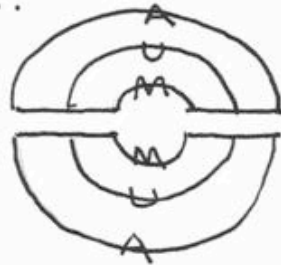

In Him are woven Heaven, Earth, and Sky.
3. together with the mind and all the senses.
Know Him, the Self alone. Give up vain talk.
He is the bridge of Immortality.

Within the Lotus of the Heart He dwells, where
4. like the spokes of a wheel, in its hub, the nerves
meet. Meditate on Him as OM.
Easily mayest thou cross the Sea of Darkness.

There are 2 elements that make up
The Bow.

The Bowstring  is the Arch or Arches
of the Unmanifested.

There are 3 Arches or Realms of The
Unmanifested surrounding
Heaven and Earth.

The Part that holds
the Bow's Arch in place
is the Space in Between Heaven & Earth.

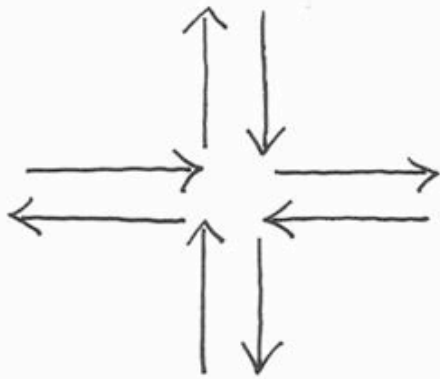

This part can also be seen as a Gateway.

There are 4 Gateways, 4 Directions
of Our One True Home.

The part that holds the Arch of the Bow,
The Unmanifested, is I AM that I AM,
sometimes referred to as Shiva and Shakti.

These gateways are
also the support systems
that house the
Subtle Anatomy of
All Beings

The Hebrew letter, Chet ח , is a
perfect representation of this concept
and is the 8th Letter, connecting it
with The I AM Presence.

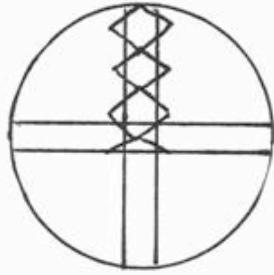

Remember the words:

Forgive us our trespasses, as we
forgive those who trespass against us?

This one little very powerful living letter
is showing us The Path of Redemption
which is The Path of Forgiveness.

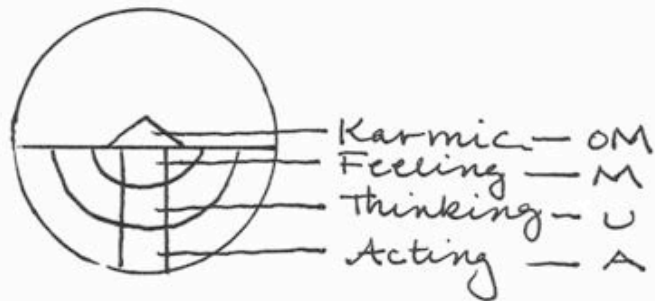

Chet , as the I AM Presence,
not only holds the Bow in place but
also holds the Bodies of Earth
and the Bodies of Heaven in place.

[In Him are woven Heaven, Earth & Sky]

BODIES OF Earth?

Actually, there is just one body for each
of us, but we have 4 Realms of Bodies.
The Acting Body, the Thinking Body,
The Feeling Body and the Karmic Body.

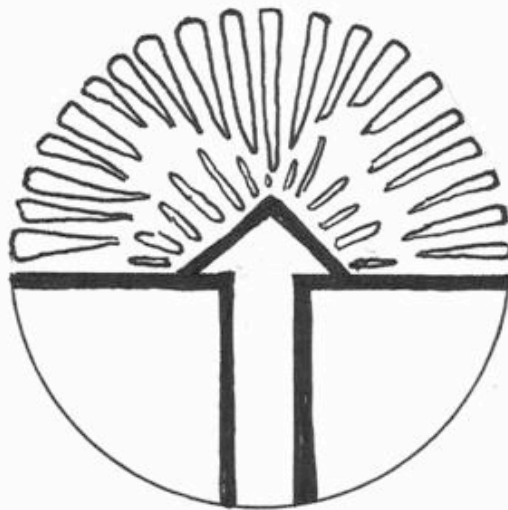

ALL OF THESE BODIES ARE GOVERNED
OR ASSOCIATED WITH THE BODY OF
MIRIAM AND YESHUA

MIRIAM AND YESHUA
are
THE HOPE OF SALVATION

Through their Body, we have been given
The Path Way Home.

They actually
form the
Arrow
and
The Bow of
Earth.

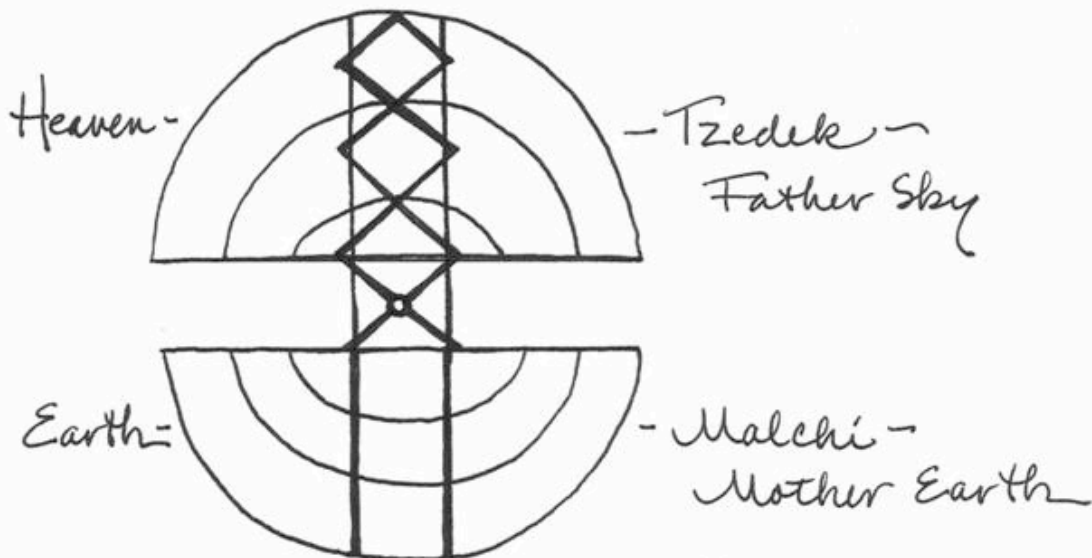

OM Eloheinu Chet Pei Beit Hum

Thou anointest my head with oil
My cup overflows

Psalm 23:5

The I AM Presence of Our One True Home,
 sometimes referred to as Shiva and Shakti,
 actually holds ALL Aspects, All Personalities
 OF Malchi-Tzedek.

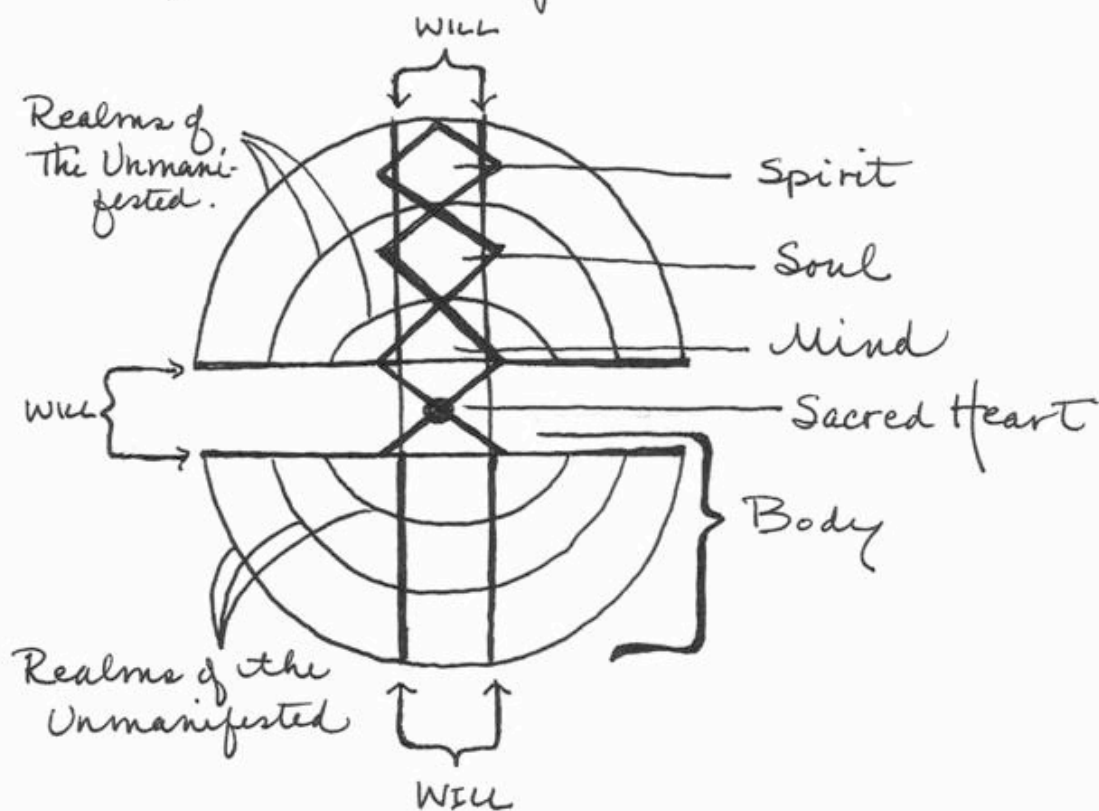

All Aspects, All Personalities of Malch-Tzedek?
 Yes... These Bodies of The Heavenly Realms are
 Actually Twins, Male and Female.

Body-	Miriam & Yeshua
Mind-	Yasodhara & Buddha
Soul-	Uma & Brahman
Spirit-	Radharani & Krishna
Will-	I AM That & I AM
Higher Self-	The Unmanifested One - Teh Tao and sometimes referred to as Pistis Sophia.
God -	Malchi-Tzedek / Sacred Heart

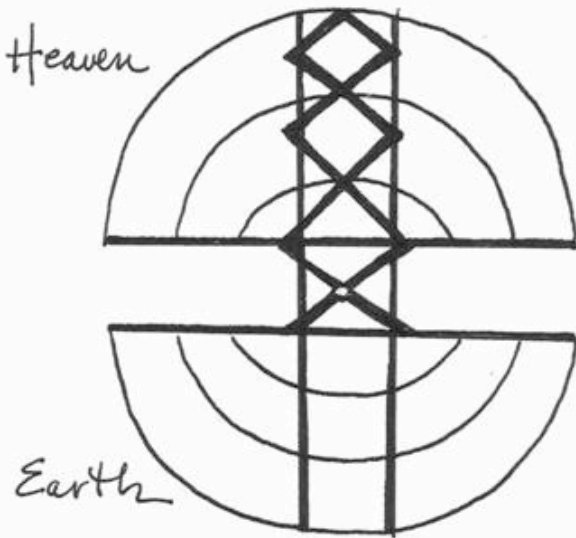

Bodies of Heaven?

It is only logical to say that if our Body and its 4 parts, is of the Earth, then the Mind, the Soul, the Spirit, the Will, the Higher Self and the Sacred Heart are all of the Heavenly Realms.

WE ARE ALL ONE BODY

Everybody on Earth is connected to the Sacred Heart of Our Home through the Realms of the Unmanifested, and The I AM Presence.

If Malchi-Tzedek
had a Body who
would
Malchi-Tzedek be?

Miriam as Malchi?
Yeshua as Tzedek.
in Union with **ALL**

Personalities, All Aspects of

Our Mother and Father in Heaven:
Higher Self as The Unmanifested One, The Will as I AM that,
I AM, Spirit as Radharani and Krishna, Soul as
Uma and Brahman, Mind as Yasodhara and Buddha,
and the 7 sages or 7 Spirits as The Eloheim (Elohim).

Miriam and Yeshua ARE the Body
of Malchi Tzedek.

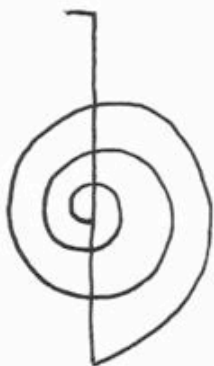

Miriam, Mother of Earth, gave birth to
The Hope of Salvation as
Yeshua, The Son of Heaven, who gave
His life as the light of The World.

We are All One Body through The Hope of Salvation.

My body caught fire like an ember,
 as I brought the syllable OM,
 the One that says you are That,
 into me. I moved through
 the six chakra centers
 that urge human beings to action
 and out into the lightedness
 where datta is now.

 The Breath of Cleansing & Purification.

Meditation:

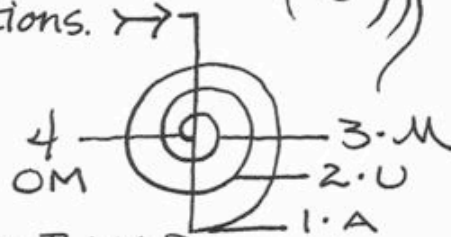

1. Visualize sitting on a lotus holding, in each hand,
 a flower as a Mudra of The Master.

2. Inhale through the 4 Directions. →

3. When you get to the Heart
 of OM → PAUSE →

and say, in your mind,
 one of the Affirmations of The I AM Presence
 associated with each Mudra.

4. Listen..... They say "You Are That!"

5. Exhale through the 4 Directions and Return Home.
