

The Mantle of Love

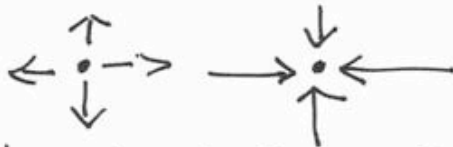

The Mantle of Love

from Archangel's Claircast: Michael
(2.9.06)

The Mantle of Love is passed in every direction. Innocence, Purity, Love and Wisdom are the Directions of Love. Without Love, there is no Innocence, Purity, Love and Wisdom.

Love is the Key that opens every door of Truth. All Truth is about Love. Love is the Center Point about which all Truth points.

Love is the Center Point of Every Great Sphere. When two spheres touch, there is a straight line of communication, I - a Portal - a Circle ^o that circumscribes the passions and allows communication.

In the inner circle of the two spheres, communication grows larger until the two spheres become One.

In the circle, where the two spheres meet,
Where they touch is a I straight line of
communication - but it's still a circle -
but then there is a wall - a portal - a
veil - a communication membrane
which is the Ear of the I AM Presence O.
As the communication widens and opens,
the veil disappears and the Spheres become
One.

Circumcize the Lips -

Lips speak from the Heart

Kiss from the Heart

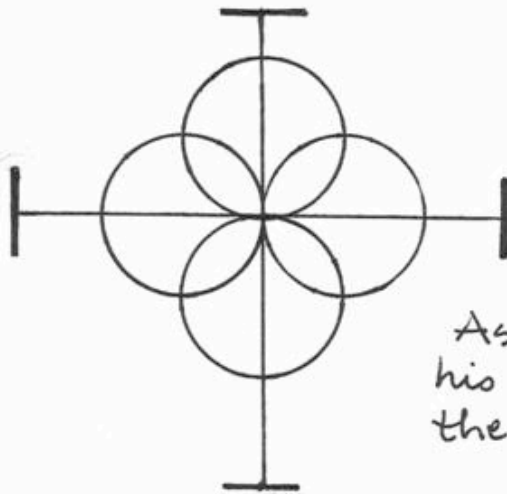

Circumcize Speech - Through the Mode
of PURITY → Right Speech & Right Direction.

When you Speak from Love, You are Speaking
from the Heart of Love which makes a
straight line of communication from
Heaven and Earth.

Exodus 6:12

And Moses spoke before The Lord saying
"The Children of Israel have not heeded me.
How shall the Pharaoh heed me for
I AM of Uncircumcized Lips?"

Moses (Moshe) needed a Straight line of
Communication from The IAM Presence
to help him Speak the Truth
from The Light of The Fields
of Divine Nature.

As Moses surrendered
his will to The WILL of God,
the veils or walls between
God and Man /
Heaven and Earth

widened and opened until the veils disappeared.
In Union with The Most High through
The Four Directions and The IAM Presence,
Moses led the Children of Israel
to The Promised Land.
